Sub : Request for doing justice to executives erroneously reverted to non-executives in the name of implementing court order – a long pending issue.

Respected Sir,

As you are aware, a large number of JTO/SDE were reverted to their initial non-executive cadre by Assam Circle through an order dated 19-7-2013. On this serious issue, this Association had numerous discussions with earlier management. But unfortunately the management failed to show courage to recognize the serious injustice done to the executives and failed to admit the gross errors committed by its own office. In this regard, we reiterate the following facts in brief and in simple terms for your kind perusal and appropriate action please.

1. The promotion of a particular set of SrTOA to JTO under 15% quota (appeared in exam of 2001) was challenged by another set of Sr TOA (appeared in exam of 1999) in Hon'ble Gauhati High Court. The court ruled on 15-5-2007 that SrTOAs who appeared in 1999 should be promoted for the number of vacancies that existed at that point of time (1999). This HC order was upheld by Hon'ble SC also on 08-02-2013.
2. It's a fact that number of vacancies in 1999 were only 11 (OC-4, SC-6, ST-1) but Assam Circle erroneously informed the court during proceedings that the number of vacancies in 1999 were 23 (twenty three). No effort was made by Assam Circle legal cell to rectify the number of vacancies of 1999 from 23 to 11 before the court of law.
3. In order to implement the court order, Corporate office issued a directive to Assam Circle on 10-7-2013 to promote candidates of 1999 and revert equal numbers from those promoted against exam of 2001 **according to the number of vacancies (of 1999) available / notified**. As already mentioned this **available/notified vacancy of 1999 was only 11(eleven)**.
4. In spite of this clear guidance from Corporate office, Assam Circle reverted **17 (seventeen)** JTO/SDE to Sr TOA on 19-7-2013 and consequently a set of **23 officials and officers** were promoted to JTO on the same day.
